DIRECTOR'S COMMENTS

COMMENTS BY THE PARTNER OF THE PLAYER TAKING UNUSUAL ACTION

IMPORTANT – When an unusual action by a player, such as a psyche, is recorded, the Laws & Ethics Committee expects that his/her partner will take the trouble to demonstrate that his/her own actions in response are normal. The absence of any comment by the partner will be taken to signify that (s)he believes that his/her actions are entirely normal. Actions such as a failure to support a suit which partner has shown but does not actually hold are not considered normal and should be explained.
