

WELSH BRIDGE UNION

Learner Groups:

There are special rules/requirements for membership of these groups:

Establishment:

A Learner Group (LG) may be set up with the particular aim of teaching bridge and bringing in new players into the game.

A LG may be associated with an existing bridge club, but must have a distinct identity and membership list.

Teaching:

A LG Teacher must be a voluntary position.

A LG must teach using materials and course plans provided by the WBU

WBU Membership:

All members of a learner group must be individual members of the WBU

LG members pay a %50 subscription rate. (Must have not previously been registered with the WBU)

A LG may elect to further register the LG members with the Area Association. The full area fee applicable will be payable in addition to the 50% WBU fee (but this is not obligatory whilst the members are learners) but if so elected, must apply to ALL the members.

Note:

The discounted subscription applies to the club, not individuals and is valid for up to 2 years and 3 months. (starting in January will count as the subsequent year.) Upon expiry of the 2 year LG status, the LG will become a standalone affiliated club or will merge with the original parent club.

MasterPoint Uploads:

Master Point uploads for LG duplicate sessions are free of charge. Experienced players may not play regularly in LG sessions unless part of the teaching effort.

Sgnd: Hon MasterPoint and Membership Secretary

A handwritten signature in black ink, appearing to read 'P.M. Bowers'.
