6th September 2017

Dear Presidents, dear Friends,

At the instigation of the EBL Senior Committee, a proposal to modify the age conditions for Senior events (Teams & Pairs) was presented to the WBF Executive Committee during their meeting in Lyon in August and was accepted.

The minimum age for participants will increase from 60 to 65 years old (one year every two years) according to the following schedule:

- Born in 1957 or earlier for the championships in 2018 and 2019
- Born in 1958 or earlier for the championships in 2020 and 2021
- Born in 1959 or earlier for the championships in 2022 and 2023
- Born in 1960 or earlier for the championships in 2024 and 2025
- Born in 1961 or earlier for the championships in 2026, etc...

Thus, to participate in our next European Team Championships in Ostend in June 2018, any players registering in the Senior Series will have to **be born in 1957 or earlier** (first step from 60 to 61 years old).

We would be grateful if you could publish this information on your Website to inform your players as widely as possible.

Sincerely yours,

Yves Aubry
