Venue

Fishguard Bay Hotel
 Quay Road
 Goodwick
 Pembrokeshire SA64 0BT

The Fishguard Bay Hotel is nestled in woodland above Fishguard Harbour, adjacent to some of the most beautiful coastline in Wales.

The hotel is steeped in history and was the base for Peter O'Toole, Richard Burton and Elizabeth Taylor during the filming of "Under Milkwood" in the early 1970's

The hotel offers easy access for ferry travellers from Rosslare and has accommodation for ~100 people in its 65 rooms. We would like to encourage people to book early and share if possible as this will allow the maximum number of players to be resident in the hotel.

We will arrange transport from the ferry terminal and train station to the hotel.
