

In view of certain comments and criticisms it has been decided to delay the start of the Welsh Cup and Cambria Cups and the closing date for entry will now be March 31st. Any entry already received may be withdrawn or amended if the conditions change.

Please answer the following questions on behalf of yourself and your team-mates and your friends. Please just send a code such as A2 for each player, i.e. for 3 people you might send A2 A2 C1. Any explanation or comment that does not include a vote in the form D1 will be treated as no vote. Feel free to send your codes even if you do not intend to enter this year. Please address your votes to [<wbu@blakjak.co.uk>](mailto:wbu@blakjak.co.uk)

For the Welsh Cup and Cambria Cups 2021 would you prefer:

- A They should be played online throughout including the final.**
- B They should be played online up to the final, which should be played live if possible but online if not.**
- C They should be played online in early rounds, but later rounds may be played live. If there is a disagreement between teams then the default is to play online. The final will be online.**
- D They should be played online in early rounds, but later rounds may be played live. If there is a disagreement between teams then the default is to play live. The final will be online.**
- E They should be played online in early rounds, but later rounds may be played live. If there is a disagreement between teams then the default is to play online. The final will be played live if possible but online if not.**
- F They should be played online in early rounds, but later rounds may be played live. If there is a disagreement between teams then the default is to play live. The final will be played live if possible but online if not.**

The regionalising of these events has stopped the considerable number of matches being conceded where teams from North and South Wales have been drawn together. If in future these events revert to being played live normally I expect them to be regionalised then.

Please add a number to the letter above to show whether you would prefer for this year:

- 1 These events should be drawn overall**
- 2 These events should be regionalised**
- 3 No preference whether these events are drawn overall or regionalised**
