

## Llandudno Pairs – Final Instructions

We are looking forward to welcoming you tomorrow (Saturday 10/7/21) to the Llandudno Greenpointed Pairs weekend to be played in a virtual way on BridgeBase Online(BBO).

The tournament begins at 12.00pm on Saturday 10 July 2021.

### TIMINGS:

Registration on BBO           **opens at 10.00am**

Registration on BBO           **closes at 11.45am**

Play begins at midday       6 x 4 boards rounds

- there will be a one hour lunch break after approximately 24 boards

Session 2 begins at 4pm   6 x 4 boards rounds

The day should finish by 7.00pm

**Registration** opens two hours before the game so please agree a time with your partner to both login to BBO.

Then Select [COMPETITIVE, TOURNAMENTS, All Tournaments](#)

You will see a list of all pending tournaments in the order they start (soonest first).

Scroll down the list until you find IBEX\_2 host, or type LLAN into the search box (top right corner) to filter down to this event titled as follows:

*# Llandudno WBU GP Pairs Qualifying*

Click on the event name and a box will appear in which you type your partner's name and press INVITE. Your partner will need to be logged in too, and must accept your invitation to play. If you get a blocked error, message the host and tell us both your usernames and ask to be unblocked. Wait for a reply and try again. If you have no response after 10 mins please phone Sarah on 07930 503 746.

After you see your BBO names on the registered players list, you can both logoff. But please be back online in the COMPETITIVE area and ready to play bridge five minutes before the game is due to start.

Any special conditions of contest will be advised by the Director in the tournament chat.

Please note that today UNDOs will be permitted for genuine misclicks only, and we ask you to accept the request immediately (and tell the TD afterwards if you have any concerns). No kibitzers are allowed unless the director gives permission. This is an active ethics tournament – as such we ask you to carefully avoid using extraneous information to help you achieve a good score. And be generous with the self-alert explanations.

SCORING on BBO will take the form of matchpoints.

8 pairs will qualify for Sunday's final, which will be a 42 board all-play-all howell format. The remaining pairs will play in the consolation event which some new pairs will be joining.

Enjoy your tournament and good luck!

Stay safe
