

WOMEN'S MONTHLY BRIDGE EVENT

Currently this friendly event is open to any woman in Wales or Ireland who wishes to play on the first Monday of every month at 6.45 pm. Results are all on the BridgeWebs site <https://www.bridgewebs.com/wbureresults/>

The platform alternates between BBO and ReaBridge, and you will be notified of the RealBridge link by email if you are on my list, otherwise it appears on the website. On BBO the table-money is just \$2 and on RealBridge currently it is free - I do hope that will persuade you to play once every other month lol... You need to have some BBO points in your account - let me know if that is a problem for you.

On BBO just log in as normal search for Competitive/All events and Celtic Pairs. If you are new to the event you need to let Sarah know in order to register your moniker (there is a special form on the WBU website to allow you to easily do this ->'Admin'->'Forms <https://welshbridgeunion.org/wbu-bbo-moniker-submission>') - alternatively you can 'chat' with Sarah ('samos_') or contact Ceri (ceri) 07837 563283 or me (sirenewno) 07877 460847.

Play is 5x5 board rounds, so it usually finishes around 9.30.

If numbers drop, I may change the idea and open it up to any woman player in the world, but I had hoped that club players would want to play, as well as the so-called better players... Do try and support it, though I realise it will clash with some club nights.
