

**WELSH BRIDGE**

## **CHAMPION OF CHAMPIONS**

We are reviving this event in which the Champion Pair(s) from every club in Wales will represent their club, competing against other clubs' Champions.

**Sunday June 25<sup>th</sup> 2023, starting at 12 noon**  
**at the The Stage Door, Grand Pavilion, Porthcawl**

### **A GREEN MASTER POINT EVENT**

There will be two sessions with a refreshment break between sessions. Play is expected to finish at approximately 18.30 p.m.

Each club may choose its own way of determining its Club Champion(s). A Club may enter up to **two pairs**

For example, a club could nominate pairs who have won/runner-up in its most recent championship pairs competition.

Or the club might choose to hold a special pairs event to decide who will represent it.

Or it could be the pairs who have performed best over a series of club evenings.

Or use some other form of competition that seems best for your club.

A club may nominate its two 'best' pairs, but should neither of these be available, it can nominate any suitable replacement

**All your club secretary needs to do is inform the WBU Tournament Organiser, Simon Gottschalk, [nto@welshbridgeunion.com](mailto:nto@welshbridgeunion.com) of the names of the two pairs who will represent the club (no later than 1st June 2023). Table money is £20 per pair. Clubs are asked to consider sponsoring their Champions' cost of representing them in this event.**

Only WBU members are eligible to play in the **Champions of Champions**.

Any questions about these rules should be addressed to Simon Gottschalk whose decisions on eligibility of entrants will be final.
