

Preliminary information:

Categories

There will be four categories: U16, U21, U26 and U31.

Teams and captains

Every NBO can send one team in each category. The team can consist of up to 10 players. We do need every team to sign up one NPC that is willing to help with supervising the matches of their team (one person is necessary for U16, while at least one person is needed to be the NPC of one or more than one of the teams in the U21/U26/U31 categories).

Format

The play will start with a full Round Robin and be followed up by a knock out stage. The exact details about the final stages of the championships will be announced after we have more information about participation.

The matches will be played on RealBridge.

Schedule

The starting of the Round Robin will be **Tuesday September 10th at 19.00 CEST** for U21, U26 and U31. The teams will then be offered to play their matches on Tuesday nights every second week (odd weeks), with the possibility of rescheduling matches for Sundays even weeks at 17.00 CEST.

The start of the Round Robin for U16 will be **Sunday September 22nd at 17.00 CEST**. The teams will then be offered to play their matches on Sunday afternoon/evening every second week (even weeks), with the possibility of rescheduling matches for Tuesdays at 19.00 CEST.

Free of charge

Everything will, of course, be free of charge!

More information will follow very soon...

... so await further instructions. In the meantime: **Spread the word, and start forming your teams!**
