

Entries are now welcome for the 2026 Welsh Cup and the 2026 Cambria Cup.

Both competitions are for teams of four, five or six players. The Welsh Cup is Wales premier non-congress bridge event. The Cambria Cup is also a non-congress event and is for mixed teams with rotating partnerships. The Welsh Cup uses IMP scoring while the Cambria Cup uses aggregate scoring.

Both the Welsh Cup and Cambria Cup revert to a format used a few years ago with a group stage followed by a semi-final and final. All teams entered can be sure of having the chance to play at least two matches.

The group matches will all be played by 30 June 2026.

Semi finals will be played by 20 September 2026.

Finals will take place on Saturday 21 November (Welsh Cup) and Sunday 29 November (Cambria Cup).

For the group stage and the semi finals the default format is online on RealBridge, which will be sociable but minimise travelling. Captains can agree to play face to face or on BBO.

Entry fees are only £60 per team, which will guarantee you at least two matches.

Closing date for entries is Thursday 15 January.
